ENGINEERS BECOMING MANAGERS (HARDBACK)

Xlibris, United States, 2006. Hardback. Condition: New. Abridged edition. Language: English. Brand new Book. This book rests on three cultures: applied science, engineering, and management. While these plainly overlap to a degree, a person cannot move from success in one to success in another without considerable effort, dedication and talent. Clearly, an understanding of these cultural differences is essential to engineers whose career goal is to evolve into top-level managers. The first step in gaining such understanding is to admit...
